Nurse Unit To Hear Panel Talk

1/9/67

The Pierce County Nurses Association will meet Monday at 7 p.m. in Jackson Hall, Tacoma General Hospital. The association has arranged for an exchange of ideas between hospital administrators and nurses to insure a full understanding of what administration expects of registered nurses.

Walter Huber, administrator of Tacoma General Hospital, and John Peschek, comptroller of St. Joseph's Hospital, will take part in the panel discussion. Miss Jean Short and Mrs. Laurence Wiwatowski, who arranged the program, will represent the nurses on the panel.

Refreshments will be served.
